

Morecambe Sailing Club - Risk Assessment for Club Facilities – COVID 19

Clubhouse: Back Calton Street, Morecambe, Lancashire, LA4 5AS

June 2020

Information

An efficient system notifying members of the systems and protocols in place and what is expected of them, must be in place prior to reopening the club facilities.

Ensure your facility has extensive signage and information regarding precautions for managing COVID-19

Members must receive information in advance of attending the premises to enable them to prepare properly to follow the new systems and protocols.

Emails used to inform members of “club procedures and safe working practice”

Social Distancing

Reduce the amount of people accessing the boat house/premises for boats and equipment, comply with the 2-metre gap recommended by the Public Health Agency.

Assess areas and protocols how to access boats and equipment.

Identify pinch points such as storage areas where social distancing may be difficult.

Club Toilets

Frequently cleaning and disinfecting objects and surfaces that are touched regularly

Appropriate number of waste bins with lids for discarded tissues/hand towels

Ready access to hand washing facilities with soap and/or hand sanitiser. Frequent monitoring and resupply as necessary.
